#### THE NEWSPAPER COURAGE.

Once in a while somebody gets the dea that the reason the local paper does not report every scandal that comes to the public knowledge is be cause the publisher is afraid. That's not the reason. The reputable news paper, especially in a small town where everyone is a neighbor to ev eryone else, takes no delight in giv ing publicity to those things that have brought disgrace to some family or heartache to some wife o mother. is much more pleasant to record the good things that happen, to tell about the incidents that tend to make life more endurable, and that uplift rather than tear down, that bring joy in-stead of sorrow, pride instead of heartache. So if you don't always find in the local paper the delectable bit of gossip that would doubtless make good reading," and if you are inclined to blame the editor because he "doesn't print all the news," consider that some home has had enough worry over unfortunate hapenings, and that the gossips and scandal mongers of the community can and will glady and ghoulishly give sufficient pub licity to the details to sat'sfy the est tastes. Incidentally, it might be remarked here that the most complaint of censored news comes from people who have now or have had in their lives some things they are very glad were not given newspaper pub-Columbiana county at Shelton's grove licity. There come times, of course, June 12. local newspaper to speak right out in meeting, to tell what happened, to give open publicity to conditions that are a reproach to a community and for which the light of publicity seems the only cure. Tolerance is not a lack of courage.—Exchange.

Allen gave an able address on "Soil Fertility in the African Jungles." The current events given by Mrs. F. C. Allen were highly enjoyed by all. Last but not least Mrs. S. M. Ripley rendered, in a most interesting and pleasing manner, "Rebecca of Sunny Brook Farm." surprise of the evening was furnished in the form of ice cream, cake and coffee which was daintily served by the ladies. It is hard to tell just what the surprise will be on June 8th, but come out, and get acquainted or you may miss something.
